Around the Block...

Memorial Day 2023

The Building Management office will be closed on Monday, May 29, 2023 in observance of the holiday.

For building related services or requests, please call AFG Security.

Thank you and Happy Memorial Day!

Water Leak or Overflow?

Do you have a water leak or an overflowing toilet? Our team will be onsite within minutes to help limit the disruption to your office.

We ask that when you notice these concerns; call our office as soon as possible at 513-369-3010.

Thank you for your help!

TENANT ICE CREAM SOCIAL

Save the date – Tuesday, June 13th from 2:00 – 3:30pm we will have our Tenant Summer Social. Enjoy ice cream from the Mister Softee Ice Cream Truck. We will have the truck here to pass out your choice of vanilla, chocolate, or swirl ice cream cones. Please plan on stopping by Ogden Alley on the 13th for your ice cream cone. Representatives from Building Management will be handing out tickets, so please be prepared to show your ID badge.

New Team Member

My name is Richard Griffith and I graduated from Northern Kentucky University with a bachelor's degree in finance. I recently hit my one-year anniversary at Great American Insurance Company, working in the Real Estate and Facilities management department. Throughout my time here I have learned numerous new skills and have met many new people. While working downtown I have discovered one of my favorite restaurants, Currito. One hobby of mine is Onewheeling, which is essentially snowboarding but you can do it all year round. This has helped me spend more time outdoors, and it is extremely fun!

Tenant News

Lotus Thai and Sushi is now open for Dinner
10:00am - 6:00pm Monday thru Thursday
10:00am - 8:00pm Friday and Saturday

Tenant Coming Soon

We are exiting to announce that Jersey Mike's will be coming to DTN (old Key Bank Space) in late summer early fall! Updates to follow.

Summer Temps

As we begin to welcome summer weather in the Tri-State, Building Management needs your help to maintain a comfortable workplace. Here is how you can help.

- Keep all exterior doors closed
- Close window blinds
- Report hot spaces as soon as possible

Olympic Garage Refresh

Years of traffic and weather can make exterior parking garages dingy and unattractive. Which is why we will be cleaning and re-painting the walls, ceilings, steelwork and more in our two garages, Vine and Walnut. Along with freshening up the appearance, the new coating will provide years of protection to the structural components of the garages. All work will be completed off-hours to minimize disruptions to parkers. Work is scheduled to begin late summer.
